The Village Board recognizes that the purpose of a Village Board meeting is to conduct the business of the Village.

Residents and guests are welcome at all public board meetings. Visitors will be recognized to address the Board on any topic during the meeting and may speak under “Public comments to the Village Board.” The Mayor reserves the right to limit the time anyone speaks to the Village Board and viewing audience to five minutes on each subject matter.

Persons addressing the board must give name and address.

The speaker must address their comments to the Board, not individual members of the Board, and must speak from the podium placed at the front of the room.

The speaker should address the Board on subjects relevant to the business of the Village Board. Speeches of an overtly political nature are discouraged.

The fact that an issue is brought forward does not imply it must be acted upon.
